

WOMEN IN RESOURCES TASMANIA AWARDS 2019

IMPORTANT POINTS TO REMEMBER

- address the selection criteria on this form
- include a brief CV
- the name, email address and telephone number of two referees
- supporting material, limited to on file, two pages in length in PDF format.
- applications close midnight on Sunday 31 March 2019.
- applicants should be aware that section winners will play an ambassadorial role for the following 12 months and may be requested to speak at or attend events.
- photographs should be sent separately as a high-resolution JPEG file (300dpi or greater). Close-up photos of you at work are preferred. By entering, candidates agree for these photos to be used in promotional materials for the awards and other promotional materials. Do not embed photos in documents, send as separate attachment.

Exceptional Woman in Engineering and Professional Services in Tasmanian Resources

This award recognises exceptional achievement of a female Engineer or other professional discipline (e.g. geology, finance, management etc) in the Tasmanian resources sector in any occupation in any role.

It notes her leadership skills, resilience, her methods of overcoming barriers and seeking out and accepting new responsibilities and challenges. It also recognises her work to promote the industry's social licence to operate. This work may include a commitment to community engagement and development, contributing to gender diversity within the sector or other sustainability initiatives.
