NATIONAL AWARDS

WOMEN IN RESOURCES TASMANIA AWARDS 2019

The Women in Resources National Awards is a partnership between the Minerals Council of Australia and its Northern Territory and Victorian branches, the Chamber of Minerals and Energy of Western Australia, the Queensland Resources Council, the New South Wales Minerals Council, the South Australian Chamber of Mines and Energy, and the Tasmanian Minerals and Energy Council, with support from various state Women in Mining Network branches. The awards profile women in the Australian resources sector, providing ambassadors and role models as an aid to the attraction and retention of women in the resources sector.

IMPORTANT POINTS TO REMEMBER

- address the selection criteria on this form
- enclose a brief CV
- the name, email address and telephone number of two referees
- supporting material, limited to on file, two pages in length in PDF format.
- applications close COB on Wednesday 31 March 2019.
- applicants should be aware that section winners will play an ambassadorial role for the following 12 months and may be requested to speak at or attend events.
- photographs should be sent separately as a high-resolution JPEG file (300dpi or greater). Close-up photos of you at work are preferred. By entering, candidates agree for these photos to be used in promotional materials for the awards and other promotional materials. Do not embed photos in documents, send as separate attachment.

Gender Diversity Champion in Tasmanian Resources

This category recognises an individual - male or female - for their excellence in the encouragement, promotion and advocacy for the attraction, retention and promotion of women within their company and/or the Australian resources sector.

SC 1: Demonstrated record of advocacy for women in resources.

How have you encouraged, promoted and advocated for increasing gender diversity (for example through recruitment processes, changing workplace culture and working arrangements)? [max 400 words] [Score out of 10]

SC 2: Outcomes/impact of advocacy (e.g. statistics) and their sustainability (e.g. not reliant on the actions of a single person alone) [max 400 words] [Score out of 10]

SC 3: What is your vision for gender diversity in the resources sector, including any planned initiatives? Provide examples of initiatives either underway or in the planning stages. [max 400 words] [Score out of 10]
